

# UUCC Free Movie & Discussion

An educational event open to the public.

*Find out what the oil companies and the auto industry don't want you to know! "Gas Hole" is an eye-opening documentary that exposes rich oil companies' devious dealings, dissects our country's dependence on foreign pipelines, and explores alternative fuels as a viable solution to our global energy crisis.*

*2010. 1 hour 41 minutes.*

**Saturday, June 18**  
**7:00 p.m.**

**Where: Unitarian Universalist Community Church**  
**70 Sycamore Drive, Park Forest**
