February Sky

"February Sky is a Chicago-based duo who travels the country bringing their unique style of music to coffee houses and Unitarian Churches. This will not be your typical coffee house music. You will hear incredible music that you will not hear anywhere else, guaranteed. I have known these folks for many years and have enjoyed every performance. Susan Urban is a Chicago songwriter, and Phil plays the guitar in an outstanding open tuning style. Don't miss this concert."

--Lloyd Michalsen, The Door Jam,
Sister Bay, WI

"February Sky combines articulate guitar, exuberant voice, tender emotion, high spiritedness, and wicked good songwriting into a scintillating pentacle of life experience, philosophical understanding, and the uncanny." -

-Maggie Ferguson, Live! From the Living Room Acoustic Showcase, Pontiac, MI
